

## REMARKS

In response to the Office Action of April 3, 2007, claims 1, 6, and 11 have been amended to limit the range of ortho cresol to 3 to 7% in the composition. Support for this can be found on page 5, lines 12 and 13 of the specification.

Since the Examiner indicated that such a limitation would overcome the rejection set forth in the Office Action (page 2, last sentence of paragraph 4), it is believed claims 1-11 are now in condition for allowance. Such action is therefore requested.

Please grant any extensions of time required to enter this response and charge any additional required fees to our Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
